2022 BJSR CALENDAR OF EVENTS

Boulder Junction Shooting Range began operation at its present site in 1975, We invite you to come out and take advantage of our facility. Whether you are a seasoned shooter or a beginner who would like to learn the shooting sports, our all-volunteer staff can help you or your group get started in a safe and enjoyable fashion.

We offer open and league shooting in trap, five stand, skeet, and wobble variations of skeet and trap. Our rifle range has targets out to 300 yards and a separate pistol bay.

We here at BJSR are proud of our facility and our support of youth and high school shooting programs as well as offering a safe place for the public to shoot at affordable prices. Our facility is constantly being upgraded, and we are ADA accessible so all can enjoy the facility.

We look forward to seeing you at the range soon.
Bob Conner, President
